

## Purchasing POINT Tickets via the Amtrak Website

Website link: <https://www.amtrak.com/home.html>

### Step 1

Begin on Amtrak's home page by selecting your origin and destination stops as well as your departure date, followed by your return date if you are making a round-trip purchase.

The screenshot shows the Amtrak website search interface. At the top, there are navigation tabs: One-Way, Round-Trip (selected), Rail Passes, Auto Train, Hotels & Cars, and Other Options. Below the tabs, there is a search bar with the following fields: Origin (PDX Portland, OR Union Station), Destination (EUG Eugene, OR Amtrak Station), Departure Date (7/14/2021), and Return Date (7/15/2021). A green button labeled "FIND TRAINS" is on the right. Below the search bar, there is a dropdown menu for "1 Traveler" and an "Advanced Search" link. Red circles and arrows highlight the origin and destination fields.

When selecting your origin and destination stops, be sure to select only stops which are served by the POINT. For example, you will want to select "PDX Union Station" from the drop-down menu instead of "Portland Greyhound Bus stop," which is not served by our buses.

The screenshot shows a close-up of the origin selection dropdown menu. The dropdown is open, showing a list of stations: "Portland, OR - Greyhound bus stop (PDG)", "Portland, OR - Portland International Airport (PDA)", and "Portland, OR - Union Station (PDX)". The "Portland, OR - Union Station (PDX)" option is circled in red with an arrow pointing to it. The background shows the search form with "Portland, OR" in the origin field and "To" in the destination field.

For help with selecting the correct stops, refer to the Routes and Schedules page on the POINT website:

<https://www.oregon-point.com/route-landing/>.

Select the number of travelers and traveler type (Adult, Youth, Child, or Infant).

The screenshot shows the Amtrak website search interface with the origin and destination fields filled in. The origin is "PDX Portland, OR Union Station" and the destination is "EUG Eugene, OR Amtrak Station". The departure date is "7/14/2021" and the return date is "7/15/2021". A green button labeled "FIND TRAINS" is on the right. Below the search bar, there is a dropdown menu for "1 Traveler" which is circled in red with an arrow pointing to it. An "Advanced Search" link is also visible.

From this list, you may also select from a list of applicable discounts:

When you are finished, select "Find Trains."

**If you require wheelchair or other accommodations**, Amtrak will prompt you to answer additional questions about your traveling needs after you select "Find Trains."

## Step 2

Next, select which POINT bus you will ride depending on the time you would like to depart.

POINT buses on the NorthWest and Cascades Routes will always be represented by a four-digit number beginning with two fives, which will look like "55##."

POINT buses on the Eastern and SouthWest Routes will always be represented by a four-digit number beginning with an eight, which will look like "8###."

In this case, you would select the "5541 Connecting Bus" circled in red in the screenshot below:

PDX → EUG Compare Fares ⓘ

 5541 Connecting Bus	DEPARTS 7:00 <sub>a</sub>	 10% full 2h 20m	ARRIVES 9:20 <sub>a</sub> Details ▾	Coach from \$22	
 503 Amtrak Cascades	DEPARTS 11:10 <sub>a</sub>	 20% full 2h 40m	ARRIVES 1:50 <sub>p</sub> Details ▾	Coach from \$22	Business from \$45

Note that if you select a trip that is not a POINT route from the list above, you may not be able to access certain features offered to POINT passengers, such as reserving space for a bicycle on the bus.

For a round-trip purchase, complete Step 2 once more for your return trip. Once you have finished selecting your departure times, select "Continue."

### Step 3

Enter your Traveler information and select “Continue” when you are finished.
